

St Aloysius
Catholic Primary

Core Subjects

Year 2: Topic - Wonder People

English

The children's main text this half term is 'The Magic Finger' by Roald Dahl. This is an exciting story which we hope will develop the children's imagination. We will be focusing on developing an awareness for the reader when writing, identifying key techniques and language to use that makes their writing interesting. Children will also be developing a range of punctuation and using a range of sentence starters and conjunctions to link ideas.

RE

Our topic this half term is 'The Good News'. Children will be learning about how Jesus has helped others. They will be reminded how Jesus brought the good news of God's love and thinking about how we can continue spreading that message today.

Foundation Subjects

History, Geography, Art, DT, Music and PE

Children will be focusing on key historical figures this half term who have been significant figures and wonder people to the world. They will learn about Florence Nightingale, and how she founded the concept of nursing as we know it now. We will look at life during the Crimean war and how Florence Nightingale helped to save hundreds of people. They will also

Mathematics

Children will be focusing on multiplication and division this half term. They will be building up techniques such as arrays to help them solve number sentences. Children will also be learning more about fractions and how division facts can help to identify

Science

This half term children will be focusing on plants. They will be learning about what plants need to survive, identifying the different parts of a

Computing

Children will be using the app 'busy things' to develop their coding skills. They will also be focusing on social media and helping to get ideas to update the school we
