Dear Parents and Carers,

This week we have been celebrating science week in St Aloysius. Scientists from the Crick Institute have been working in all classes and Year 5 have visited the Crick Institute for workshops. We have many budding scientists in St Aloysius.

Yesterday all children received their spring term report. You will have the opportunity to discuss the report at the parent meetings next week. If you have not received your child's report please contact the school office for a copy.

Well done to the children who performed in 'Scene and Heard' yesterday evening. Superb performances.
