Dear Parents and Carers,

Yesterday you all received a copy of our OFSTED report. We were very pleased to receive a good judgement in 3 key areas, Personal Development, Behaviour and Welfare of Pupils, Early Years Provision and Leadership and management.

The report praised our *“...friendly, kind and courteous pupils, who engage well with adults, visitors and each other.”*

Pupils who met the inspectors reported that *“they always feel safe in school”*.

*The report also highlights that the “Children make a good start in the early years. They benefit from good teaching and make good progress from their starting points”.*

We are very proud of all our children in St Aloysius Primary School.

I would like to thank you, our parents and carers, for your on-going support as we continue to make St Aloysius Primary School the best that it can be.

If you would like to discuss any aspects of the report, please contact the office to arrange an appointment

Mrs McCann
