Friday 4th May 2018

Dear Parents & Carers,

I'm sure your children have been sharing with you some exciting changes we have made to our Upper Site lunch time arrangements.

We are constantly reviewing our provision to improve the experiences for your children and this week we have been trialling a split lunch system.

Year 3 & 4 are on first lunch and Year 5 & 6 on second lunch.

This has allowed us to use the rooftop playground for quiet activities. Children can choose to read, play board games, or do art activities, for example.

Due to a fewer number of children in the main playground we have been able to re-introduce some ball games, led by Mr Grant.

Initial feedback from children has been very positive and they are enjoying having more space in which to play.

We will be continuing the trial over the coming weeks and would value any feedback you may have.

Wishing you all a fun bank holiday feedback,

- Purple summer dresses for girls Year 1-6 can be purchased from any uniform supplier e.g. M&S, Tesco, John Lewis including **ONLINE**. These are to be worn with white socks and black school shoes.
- Nursery and Reception boys and girls will continue to wear their purple polo shirt along with navy shorts. Girls wear white socks and boys navy socks.

## Careers Day

Our annual Careers Day will be taking place on Friday 22nd June.

We are looking for parents and family members to come to school on that day and share their experiences.

This is an exciting opportunity to create links between the classroom and the workplace and build aspirations for our children.

The aim is for children to meet lots of different people and hear about all the jobs *they* could do in the future.

If you or a family member are available please contact the school office.

## International Evening

International evening will take place on Thursday 12th July, when we will celebrate the customs and traditions of our school community from all around the world. This will be an evening of music, dance and food. More details will follow over the coming weeks.
